Payment Terms

The prices, commissions, and referral figures provided are per square centimeter and are subject to adjustment in alignment with any fluctuations in the pricing of our products. Rest assured, you will receive timely notifications regarding changes in products, pricing, commissions, and practitioner referral numbers. Your commission structure will consistently mirror the current pricing of our products, ensuring transparency and accuracy, irrespective of updates to this document. Referral fees stay the same regardless of promotion level. If a rep is using a physician associated with another RxWound rep then 2.5% of the reps commission will go to the rep who onboarded the physician utilized to help the patient.

THANK YOU
